Dear Parent,

I think you will agree that this is an exceptional book. A tremendous amount of time and effort went into this book. The students learned a great deal about the publishing process while they improved their vocabulary and writing skills. Plus, being a young published author gives a sense of pride and accomplishment.

Your child is very fortunate to have a teacher who provides innovative activities that enhance the educational experience. We know you and your child will cherish this lifetime keepsake.

Enjoy!
